About the Addiction Policy Forum

The Addiction Policy Forum is a nationwide nonprofit organization dedicated to eliminating addiction as a major health problem. Our national headquarters are located in Bethesda, MD with resources and services in every state. Founded in 2015, our strategic priorities include helping patients and families in crisis, ending the stigma around addiction, expanding prevention and early intervention, increasing the uptake of evidence-based practice and advancing patient-led research.

Our strategic priorities make an impact every day.
